DETAILED ACTION

Claim Objections

Claim 1 is objected to because of the following informalities: In claim 1, lines 18 and 26, the word "means" should be deleted. In claim 1, line 20, the phrase "an eleastic cord" should be deleted and the word "a" should be inserted. Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 1 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

It is not clear if applicant is reciting a handle means or a handle that is rendered at the exposed portion. It appears that applicant has a handle that is rendered at the exposed portion.

Allowable Subject Matter

Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
